- 2. DART can be offered on a 3, 4, or 5 year lease.**

Payments on a \$7,000 system over 3 years are about **\$213.38** a month.
Spread over 5 years, it drops to **\$136.21** per month.

- 3. Apply & be approved for your lease with very little effort!**

Most municipal department “financial information” is available online*.

In this case, all we need to apply for your lease is:

- your tax id number
- proof of insurance
- which lease option you choose

Bancorp will do the rest!

Our Bancorp agent will handle the entire internal process through their underwriting department letting them know “here’s who you are and what you want to purchase through the lease.”

Once approved, all you will do is:

Sign the 3-page lease agreement with your payment schedule

Sign off on your “certificate of acceptance” once you take delivery of your DART

**Most municipal police department financial information is available online; in the case where they are not on line, we will need their most recent audited financials and the prior year.*
